Feedback on team dynamics:

1. How effectively did your group work?

- Our work was good, as we expected. Contribution of members was also good, We could have done better but there was time constraint, we also had the assignments going on side by side so overall it was good as per the time we spent.

2. Were the behaviors of any of your team members particularly valuable or detrimental to the team? Explain.

- Richa Jha contributed really well and she always got the work done without any excuses which was really helpful for our success.

3. What did you learn about working in a group from this project that you will carry into your next group experience?

- We should work in sprints and those sprints meetings should be done frequently, so that no one is stuck on one part.
